**TTCD ESTATEMENT PLATFORM & TTSE ONLINE TRADING PLATFORM (TOP)
– EASY, SECURE, CONVENIENT**

[PORT OF SPAIN, TRINIDAD] — The Trinidad and Tobago Stock Exchange Limited (TTSE) recommends that all market participants utilize our TTCD eStatement Platform that is available via our website at <https://ttcdestat.stockex.co.tt>.

The TTSE is the first stock exchange in the English Speaking Caribbean to provide eStatement functionality to our market participants as part of our commitment to maintaining investor confidence and a continuation of our digital evolution. This platform is a web based solution that allows registered customers and companies to generate and view electronic statements, giving market participants the benefit of viewing their full local stock portfolio of securities owned via purchases on the TTSE, in an easy to use online interface.

We further urge all market participants to review the eStatement activity of your local stock portfolio against your Stockbroker statement ensuring that all balances and transactions are accurate and reconciled. Through consistent engagement of this process, you gain an additional level of financial comfort and security.

The eStatement platform works alongside our online trading platform, TOP, which is available to eligible investors twenty-four hours a day, seven days a week. An investor with a TOP account can view real time movements in their portfolio and the stock market, as well as manage multiple trading accounts via the platform. TOP allows users to potentially buy and sell any security listed on the TTSE under the categories of stocks and mutual funds. Please contact your Stockbroker to find out more about TOP.

The TTSE remains committed to the development of the securities market of Trinidad and Tobago and the region, with the goal of providing market participants with reliable, transparent and open data access in a secure environment.

###

ABOUT THE TTSE

The Trinidad and Tobago Stock Exchange Limited (TTSE) facilitates the buying and selling of securities, providing a medium for companies to raise capital and is responsible for developing rules and guidelines for the operations of the local stock market with a focus on operational resilience and maintaining orderly markets. The TTSE facilitates the efficient mobilization and allocation of capital, fair and orderly secondary market trading in securities and the efficient clearing and settlement of transactions within a dynamic legal and regulatory framework that instills confidence in the integrity of the Exchange and related institutions.

- Chairman of the Board of Directors: Ian Narine
- Chief Executive Officer: Eva Mitchell
